

PATRICK LIU

OPERATION MANAGER

- I am a language enthusiast who graduated from HKU with a degree in Literature and Linguistics, and have been working in the field of foreign language education for 7 years.
- I specialize in Mandarin language teaching of all levels, recitation, and drama performance instruction. I also served as a Performing Arts Consultant for the HKU Shakespeare Drama Project for 3 consecutive years..
- For the past 7 years, I've helped families with kids who go to International Chinese Level Tests (HSK, IGCSE, IB, AP...) make study plans and pass examinations with high scores.
- With seven years of experience teaching young learners, I bring unwavering enthusiasm and dedication to every lesson, fostering a vibrant and supportive environment where children develop a genuine love for Mandarin.
- Witnessing the remarkable progress of our local Cantonese speaking students has been my greatest reward; they have not only achieved fluency in pronunciation and conversation but also gained confidence in applying their Mandarin skills in academic and real-life settings.
