Camp Features

- **100% Mandarin Speaking Environment**

All teachers, and staff are required to speak 100% Mandarin on campus to provide a fully immersive Mandarin learning experience during our camps. Students will be reminded in the first class that one of the camp rules is that they shall try to speak in Mandarin ONLY in all class activities and the ones who abide by the rules will be awarded.

- **Small group size, Maximum practice opportunities**

Averagely 3-4 students each class, we take maximum 6 students each Mandarin level. Every student will get full attention from his/her teacher, and for lower mandarin level students, every English word students say we will make sure to teach them in Mandarin and let them repeat in Chinese, and make sure to encourage them to talk in simple Chinese words and sentences they know in all activities.

- **2 Age groups, multiple mandarin levels, Morning & Afternoon Camp Schedule**

4 Mandarin levels for 5-9y/o, 8 Mandarin levels for 10-15 y/o, each non-beginner child will receive a FREE placement test 4 weeks before their camp starting date to place them in the most suitable group. For 5-9 Y/o, there's Elementary level, Lower Intermediate level, Intermediate level and Native level. For 10-15 Y/o, we open 8 levels, from elementary to Native level.

- **Taught in both simplified and traditional Chinese characters**

Classes are available for students who learn simplified Chinese characters or traditional Chinese characters, class slides and working sheets are in both formats;

- **Native Teachers who are qualified and well-trained**

Our teachers are 100% Native Mandarin speakers with University/Master degree in TCFL or Educational related majors and each of them has on average 5000 hours' teaching experience.

- **Delightful Learning Environment, Supportive Staff**

Our campus is clean, modern, conveniently located and very spacious in size, we have a 2000 sqf campus in our Central campus, 2 mins to walk from Central MTR station, and cheerful service staff who are always happy to help!

- **Well Monitored Learning Progress**

Every group's learning progress and learning content is well planned and is being carefully monitored by our Camp supervisor, every 8 weeks students will finish 1 Mandarin Time level. End of each week we also will send parents photos and videos of each week and update with parents what we learnt weekly and each child's performance or interesting stories.

1) Mandarin Time school is the Afternoon Activity Provider/Culture&Language workshop Provider for 10+ International Schools in HK, including but not limited to Discovery Bay International School, German Swiss International School.

2) We use 《Easy steps to Chinese》 textbooks for our summer camp non-native levels, and mainland Chinese public school Chinese textbooks for native level students, 《Easy steps to Chinese》 is edited by our partner University- Beijing Language and Culture University, this is the series of textbooks which most International schools in HK are using;

3) Snack time: Parents shall prepare healthy snacks for each child everyday, there's a 15mins' snack time daily and kids will be reminded by their teacher to not exchange snacks among each other as some kids may have allergies;

4) In the case of extreme weather like Typhoon 8 or Black rain warning, school will be closed, free make-up lessons within 1 week will be arranged.
