Teacher Mila is excellent. I highly recommend Mandarin Time for anyone looking to learn Mandarin. You can go in person or join online and they're flexible with time which makes it easy to schedule.

“Professional”

“Encouraging”

I sent my aged 13 girl teen for the summer camp in Mandarin Time School for 2 years already . She enjoyed the classes and learning. The teachers are professional and able to motivate the learning interest of students. We highly recommend this school.
